Best Offer by 17 January 2024 @ 12 noon (unless sold prior) Price: \$725,000 to \$775,000 Discover this fabulous low maintenance home, centrally located close to everything Victor Harbor has to offer. Glorious north facing hills views, overlooking the 7th Fairway at the beautiful McCracken Golf Course - just a short walk to the McCracken Country Club - close to shops, schools and beaches. The Circa 2000 two storey brick veneer steel framed home (built by Weeks Peacock) is found on a lovely 726m² (approx) allotment, overlooking the par 3, 7th hole. The stunning north facing orientation attracts the winter sun, whilst providing magnificent views over the golf course - all set against a glorious backdrop of the rolling hills of the Hindmarsh Valley. Enter the home into a wide welcoming hallway - a downstairs living/games room is to your left, with internal access to the garage on your right. Three north facing bedrooms (all with built-in robes), the main two-way bathroom (shower and double vanity), laundry and wc, complete the downstairs floor plan. Upstairs you will be immediately drawn to the open plan living/dining room and kitchen. The views just get better! Wall to wall front windows fill with golf course views - sliding glass doors open onto the front balcony. The kitchen is part of the open plan - the conversational heartbeat - there is a pantry and plenty of bench and cupboard space. The master bedroom suite is of generous proportions, with a walk-in robe and ensuite bathroom complete with bath, shower, vanity and wc. On the other side of the landing, you will find what could be bedroom number five, or alternatively, would make a wonderful home office. The room has a built-in cupboard and powder room (wc and vanity). A lovely Juliet balcony opens off the landing. Other features of the home include reverse cycle split air conditioning in the upstairs living room, a fully fenced paved courtyard which can be accessed from both the downstairs living room and laundry, a single car garage with automatic roller door and off-street parking for another two cars. This is a lovely home offering plenty of bedroom accommodation, making it suitable to so many different uses, be they as a lovely family residence, a great holiday getaway (given the views and proximity to the McCracken Country Club) - or again due to the wonderful location - as a property ideally suited for either permanent or holiday rental accommodation. With schools, shops, beaches, and the Fleurieu Aquatic Centre all close by, this is an opportunity too good to miss!
