This north facing 4-bedroom house is located on one of the widest sections of West Lakes. The panoramic views are spectacular and are sure to relax even the busiest of minds. The house boasts 3 bedrooms with sliding robes and an optional fourth bedroom or study. The main living area includes a step down lounge which allows plenty of room for furnishing. The flooring throughout has recently been renovated to include low maintenance tiling and recently replaced carpets to all of the bedrooms. The kitchen includes updated storage cupboards and a new dish washer and oven. Climate control is achieved with a new reverse cycle ducted air conditioning system. There is parking for up to four cars with two in the detached garage and another two under a carport. Electric operated front gates and an alarm system will ensure adequate security. The house is located less than 100m from Tiranna reserve and is within lakeside walking distance to the West Lakes shopping centre and The Lakes hotel.
