The former Carriers Arms Hotel Springhurst was established in 1875 and de licensed in 1975, beautifully restored to a magnificent family home. The front of the building consists of three generous sized bedrooms all with built in robes, open plan kitchen/dining area, rumpus room and the former bar area making for a great entertaining area. To the rear of the property is three separate bedrooms all with complete ensuites, which have been previously run as a bed and breakfast and is being sold complete with furniture to these rooms. There are multiple split systems throughout the property, keeping every corner of the home comfortable all year round, gas boosted solar hot water system and an approx. 10KW solar system. Externally the gardens are manicured, complete with sealed driveway, double carport and horse stable converted to a workshop/garage. Town water is connected to the property plus a reliable well, for all your stock and garden water needs. The property is in a great location, central to Wangaratta, Albury, Rutherglen and Beechworth with lots of options available all ready for the new owner. Contact us now to arrange your inspection.
