Phone Enquiry ID: 223742 This house was built with the Drummonds lifestyle in mind! It has a beautiful coastal feel throughout, with an open, bright and airy living area, which is connected to an amazing outdoor deck through wooden bifold's, perfect for BBQ's and entertaining all year round. The master bedroom is extra large, with a modern ensuite and WIR. The two smaller bedrooms are also large and come with large built in robes. This house has 2 separate yards, one with veggie patch, firepit, rain water tank and chook pen. The other has side access, a 6 x 6m powered shed and a huge lawn area, perfect for kids and pets. The garden has also been landscaped and reticulated, so all the hard work has been done for you. This home would suit a young family, or an older couple who love their gardening - there is so much potential and all just down the road from one of the most beautiful beaches in Geraldton. Don't delay, this beautiful home won't last long!
