Located in an elevated position in a cul- de- sac, this three bedroom home offers a great outlook in Nundle. The open plan kitchen overlooks the dining and living areas that flow out onto a covered verandah that spans three sides of the home, making this a great entertaining area or a place to sit and relax. The home has a large double length carport plus a extra long double lockup garage for extra storage. Eight solar panels have been fitted to reduce the energy cost and the home has reverse cycle air conditioning for all year-round heating and cooling. Call Peel Valley Real Estate Tamworth to arrange an inspection, as this property will not last.
