Unbeatable value here with this little gem located in a quiet street within the sought after Twin Waters residential community. Launch the kayak within less than 100 metres of your front door or if you prefer you can just sit back and relax around the pool which is complete with a spa for your enjoyment! This property boasts 3 bedrooms all with built-in robes, the master is a great size and is complete with walk in robe and ensuite. A cute little central courtyard allows natural light and air to flow through the home and can be accessed via the laundry. This functional layout provides a pleasant living zone which is adjoining the kitchen and this area interacts beautifully with the outdoor entertaining area. There's room for loads of family and friends in the massive undercover patio, complete with kitchen facility. The yard area is well fenced and the bonus of a drive-through garage gives you plenty of options for storage of extra vehicles if required. There are also 2 large garden sheds. A great place to call home. Arrange your inspection today as this one won't be around for long!
