Find your inspiration in this Edwardian-inspired 4 bed, 2 bath home at a rare McKinnon College Zone, period-perfect, Ormond address! Beautifully blending yesterday's classic style and today's fresco-focused entertainers' lifestyle, this accommodating home has spaces to lounge and dine in a gracious formal zone, room to get together in a spacious family area beyond a soaring sun-filled Asko appliance kitchen ...and a place to entertain in every season... with an immense all-weather alfresco zone stretched out right along the home's northern face! Designed for family harmony with a private master-suite zoned to the front (with an elegant ensuite), and kids tucked away in their own rear wing around a well-designed family bathroom (with separate WC and vanity area), this timeless home features up-to-the-minute extras including built-in and walk-in robes, ducted heating and cooling, and an impressive open-fireplace. Picturesque and picket fenced in formally landscaped hedged surrounds, there's the best of yesterday and today outdoor too with the decorative brickwork and fretworked veranda-detail extending to the high-gabled alfresco area, up to four car-parking including a double auto-garage ...and lush lawns for kids to play centred on a distinctively paved basketball key. Minutes to both campuses of McKinnon Secondary College and around the corner from popular Ormond Primary School, this period-perfect address has Allnutt Park within a couple of blocks, the Hawthorn Rd tram within 750m Ormond station within a walk ...and the Zone's most gracious period homes all around.
