A wonderfully preserved example of spacious family living, a six minute walk to Preston Station right next to the iconic Preston Market and High Streets delights, this comfortable, convenient, near-original home is ready for its next chapter. Ready to enjoy today or re-imagine as a contemporary haven, move in and make the most of the solid build, fabulous detail including decorative cornice, ceiling roses and terrazzo tiling, impressive living spaces and exceptional accommodation options while you decide what the future holds. Downstairs, you'll discover a lounge-dining, spacious family-living and a meals area overlooked by a solid timber kitchen appointed with stainless steel appliances and a bedroom served by a family bathroom. First-floor spaces include a fourth living area, a main bedroom with an ensuite and three further bedrooms sharing a floor-to-ceiling tiled spa bathroom. Complementing the indoor spaces is a tiled, all-weather alfresco. It anchors a rear yard offering plenty of lawn, a double garage and gated access to a ROW. Zoned to Preston High and Preston West Primary and sitting on a generous allotment, astute buyers can look to relax in its retro surrounds.
