If you've been wanting a larger block to build you dream home on, or somewhere to build two or three units (Subject to Council Approval), then take a look here. Colourbond fencing on both sides and the back provide plenty of privacy. They're 1.8m high plus the height of the concrete plinths. It's a generous 1043m², over a quarter of an acre. It's only a 5 minute drive to Ulverstone and 10 minutes to Devonport. If you would like to discuss it further, please feel welcome to phone the listing agent, Raymond Buitenhuis.
