A full butler's pantry provides additional storage and meal prep space. The kitchen seamlessly integrates with the dining and living areas, where a grand gas log fire with stone cladding surrounds provides a gorgeous focal point. Glass stacker doors with a retractable flyscreen open to the expansive alfresco entertaining area with exterior fan and equipped with a weatherproof outdoor kitchen featuring a sink, stone surfaces, and a top-of-the-line Gasmate mains barbeque and rangehood. Beyond, the gorgeous fully landscaped rear yard beckons, complete with a lawned area, established perimeter beds, and a fire pit area. There's also a divine patio/courtyard area accessed off the dining area – the perfect spot for your morning coffee. Accommodation is equally impressive. Both bathrooms are fully tiled with frameless glass niched showers, sumptuous baths, undermount vanities, and heat lamps, while a powder room enhances amenity.
