Just a 'stone's throw' from the famous south end of magnificent Narrawallee Beach, this home provides so many options for the fortunate new owners. Awake to sunrises and wander down to the water's edge for that refreshing first dip of the day. Enjoy coffee and breakfast on the expansive verandah with a selection of open, undercover or enclosed options to maximise your use and comfort, all with spectacular views. With living areas upstairs and down, bedrooms and bathrooms on each level, the home has a very flexible floor plan to easily accommodate many. The beautiful 866m sq. block may also allow the building of another home to the rear (STCA). Your inspection will reveal a quality home in very good condition awaiting your personal touches if you wish. Phone Alan on 0408 188 661 to explore the beachside opportunity and inspect.
