What we love The epic, resort-style family fun and entertainment this stunningly transformed home delivers, the bold presentation to the street that's reminiscent of minimalist Palm Springs with its cool white exteriors, broad frontage and modern landscaping. We love that every inch of this exquisite residence has been utilised to perfection inside and out; the long list of premium features and detailing; the open airiness of this accommodating floor plan, and its premier, parkside location within this coveted and high-in-demand family haven. From the open, airy interiors, right through to a stunning outdoor setting and sparkling saltwater swimming pool taking the spotlight in this huge 771sqm (approx), professionally landscaped block. A genuine, good old-fashioned backyard made for absolute enjoyment. This exquisite residence wraps up the carefree WA lifestyle perfectly!
