Blending grandeur with meticulous updates, this architectural masterpiece by Charles William Barney, features a selection of grand interior living spaces with fabulous outdoor flow to manicured garden surrounds. It showcases classic elements enhanced by a landholding of approx. 1259sqm, across a 24m frontage over 2 registered lots. Retaining exquisite features such as richly coloured leadlight windows, 5 stunning fireplaces, soaring ornate ceilings and intricate archways, the generous floor plan reveals 5 oversized bedrooms, a spectacular ballroom with its own private entry via a second verandah and elegant formal lounge room. The stunning separate formal dining and adjoining TV/family room flows out to an undercover entertaining area. A family size kitchen in recycled Oregon timber, updated period style bathroom, 2nd WC, large internal laundry and multipurpose attic room. A wide driveway provides ample off-street parking for multiple cars/boats, storage, inground pool and expansive level lawn area. This exclusive estate is proudly set in one of Burwood's most prestigious streets within easy walking distance to Town Centre, elite schools, train station and short stroll to Croydon Village.
