There's so much to love about this one-of-a-kind family home in the Forster suburbs. From the sprawling 749m<sup>2</sup> block to the family-friendly cul-de-sac location, this beautifully finished and well-presented property is going to attract the attention of a wide range of buyers. Tandara Place is a tightly held enclave, with number 5 offering a long, paved driveway leading to the double garage. Immaculate front lawns indicate the care the property has been held in over the years, and the exposed brick and tiled roof of the façade is eye-catching and homely. Inside, the aesthetic appeal is matched by the abundance of living space. The formal living area leads into the formal dining room, carpeted for comfort and enjoying exposed brick feature walls and plenty of natural light. There's an effortless flow into the gourmet kitchen, where timber cabinetry, masses of bench space and reliable appliances form the bedrock of exciting culinary adventures. The adjoining family room enjoys soaring raked ceilings, with split system air conditioners ensuring enjoyable climates all year round. Sliding glass doors lead to a covered outdoor alfresco dining area, a lengthy space from where the lush backyard can be fully enjoyed. There's lots of space here for kids and pets to enjoy, plus a garden shed and shaded nursery to boot. Three generous bedrooms are all carpeted, coming with ceiling fans and built-ins. They're serviced by a sparkling main bathroom, complete with separate bath and shower. You'll love the internal laundry, the guest toilet and the extra storage space of the two linen cupboards. Located in a peaceful pocket, you're a few minutes' drive from all the amenities, retail outlets and eateries of Stockland Forster shopping centre. The centre of town also isn't far, and as you'd expect, there's easy access to the magnificent beaches this coastal town is renowned for.
