\$425,000

- Lowset rendered block home
- Iron roof
- 2 bedrooms with built-in wardrobes
- 1 bathroom (wheel chair accessible)
- Kitchen with pantry
- Linen cupboard
- Patio at front of house
- Patio at back of house
- Single lock up garage
- Laundry with built in cupboards
- Single bay shed
- Fully fenced yard
- Concrete driveway with turning area
- 974m² area for the land

The house was built at the back of the block because there used to be a house at the front which has subsequently been removed. The owner was elderly and the house was built to accommodate a wheel chair if necessary. The land is a big 974m² which provides many options for a new owner.
