At a glance - Luxurious 4 bedroom, 3 bathroom home- Upstairs and downstairs living, plus study- High quality fittings and fixtures throughout - Close to excellent shopping, leading schools  
Abode The appeal of a four bedroom, three bathroom floor-plan that features alternative upstairs and downstairs master suites is matched by the flexibility of luxurious living areas on both levels in addition to a dedicated study or home office. An open-plan kitchen with Miele appliances confirms the focus on first class quality that defines this design, complemented by American oak timber floors, ducted heating/cooling, central vacuum, low-maintenance landscaping and a double garage. A residence of significant size and style, completely attuned to modern day demands. Area Just a couple of minutes' walk from Wattle Park Primary School, desirably close to Cooper Reserve, with shopping options and leading secondary schools nearby.
