This is without doubt the best opportunity to get into the Auchenflower market - a cute and tidy home, move-in ready, positioned in an ultra-convenient spot. Inside you'll find large bedrooms, comfortable living and dining, and polished boards throughout. Sitting atop a fully fenced block, backing onto a park, and within a short walk to all amenities, this is an excellent entry-level purchase or effortless investment.

- Renovated in 2011 (after 2010 floods) incl. kitchen, bathroom, electrics, plumbing, stumps, etc.
- Surprisingly spacious floor plan with well-sized bedrooms and light-filled living spaces
- Plenty of potential to extend or remove and build a new home
- Lock up space for 2 vehicles plus heaps of storage
- 405sqm block (no easements) backing onto Frew Park and sharing a boundary with only 1 neighbour
- Close to Rosalie Village, Milton Rd restaurants, train station, ferry terminal, and only 2km to the CBD
- Milton State and Kelvin Grove College school catchments
