Spectacular space and peaceful parkside living are on offer in this marvellous low-set home. Tucked away at the end of a quiet cul-de-sac on an 831sqm lot, the house hosts a selection of living zones, outdoor retreats, and a swimming pool. Relaxation and entertainment await inside the large living and dining rooms, which unveil a warming fireplace and effortless flow to the open family/meals area. With lots of space indoors, parents, children and guests will appreciate the separation, and the resident cook will love the central kitchen with ample cupboard and drawer storage. Moving seamlessly outdoors, the front and rear patios provide idyllic spots for family fun and BBQs with friends, and the low-maintenance backyard, big side yard and in-ground pool are sure to impress the kids. The interior layout is finalised by a dedicated office, three bedrooms, two bathrooms, and a laundry, while a double carport and garden shed provide storage and parking. The master suite features a walk-in robe and ensuite, and the other bedrooms boast built-in robes and access to the modern main bathroom, which unveils floor-to-ceiling tiles, a floating vanity, a rainfall shower, and a freestanding bath. Complete with air conditioning, ceiling fans, and security screens, comfort and privacy are assured. Presenting easy living in a quiet cul-de-sac, kids can walk around the corner to acres of parkland featuring dog parks, playgrounds, walking/bike paths and a sports club. Parkinson Plaza and the local Algeester shops and cafes are 1.4km away, and you can drive 6 minutes to Calamvale Marketplace and 9 minutes to Calamvale Central and Sunnybank Hills Shoppingtown. Only 500m from bus stops and St Stephen's Primary School, and within the Algeester State School catchment, this location is perfect for young families.
