5 Townsend Street is a property that is all about the location. Set on a large block this home has been partially renovated. Updates include a new kitchen with gas cooking; bathroom which has a separate shower, toilet and updated vanity unit. This home has 3 good size bedrooms two of which include built-in robes. There is an open plan kitchen/dining/lounge area with gas heating and the home has updated floating floors throughout. When location is important this property is an ideal option being within a short walking distance to Portland's water front, Portland Hospital and Portland's CBD area. This property also has various sheds and is set on approx 925m² block which has lots of potential to subdivide (STCA) and build units or room to extend and renovate the current home. This property is well priced and will sell quickly.
