Absolutely exquisite home in a quiet cul de sac in Headlands estate! So central to everything including Good Shepherd Lutheran College, Noosa Village and Noosa Civic shopping, and the boutique riverside precinct of Gympie Terrace. Let the kids walk to school while you relax in your own private haven. A stylish gated entry opens up to your resort style swimming pool and cabana, surrounded by low maintenance tropical planting. Dip a toe in the water while lounging poolside or keep an eye on the kids (and avoid the splashes) from the undercover entertaining terrace at the front of the house. The open plan living, dining and kitchen are designed on a grand scale, with seamless indoor outdoor integration with the front patio overlooking the pool. The kitchen has stone bench tops, a large island bench/breakfast bar, gas cooking, single drawer dishwasher in the island bench plus a full dishwasher in the adjacent butler's pantry! Enough to delight even the most fastidious of chefs... Fridge, washing machine and dryer are provided. Also on the lower level are a large study with built-in timber shelving, wide workstation and storage, as well as an exceptionally spacious media room (red carpet has been updated since photos were taken to match the rest of the home). Guest accommodation is on offer with a large bedroom with double walk in robes, serviced by the two-way bathroom/powder room. On the first floor is the grand master suite complete with gorgeous en-suite and private balcony overlooking the pool, two other generous robed rooms and the well appointed main bathroom with separate toilet. Ducted air-conditioning through-out plus a separate split system in the media room and master bedroom, double lock up garage with remote access and storage, low maintenance gardens, garden shed and solar power - there are no more possible boxes to tick. Photographs cannot do this home justice - from the light filled spaciousness right down to the feel of the carpet beneath your feet. Register to inspect - you will not be disappointed. Pets on application and owners final approval. The photographs are from the previous sale and should be used as a guide to layout only. Please note: It is essential to register your intention to attend any scheduled open house. If there are no registrations to attend the open house, the open house may not take place.
