Offers Over \$429,000

Discover the allure of 5 Trumper Street, a budget-friendly haven in East Ipswich offering a comfortable family lifestyle. Priced below \$500k, this property boasts various features that make it an inviting prospect for homebuyers. Key features: 3 generously sized bedrooms: providing ample space for family members or guests 1 well-appointed bathroom: a central bathroom catering to daily needs 1 secure car space: convenient and secure parking for residents Spacious living area: the heart of the home, ideal for family gatherings or relaxation Air-conditioning: year-round comfort ensured with air conditioning in the living area and master quarters Recent restumping: structural enhancements by "Raise My House" for durability and stability 5kW solar panel system: embrace sustainability and cost efficiency with solar power Private master quarters: a secluded retreat featuring dedicated air conditioning Flood affected in 2022: despite this, rest assured that the home remained resilient, with no water entering the interior Freshly polished floorboards: enhance the aesthetic appeal with recently polished floors Location: Situated in a serene East Ipswich neighbourhood, this property is conveniently located near essential amenities, schools, and local parks, making it an ideal choice for families. The recent restumping and flood-resistant design of this home showcase its durability and commitment to providing a secure living environment. The addition of a solar panel system aligns with modern sustainability practices, offering both eco-friendliness and cost savings. For those in search of an inviting family home that strikes the perfect balance between charm and practicality, 5 Trumper Street invites you to explore its warmth. Contact Chevy Sukkar today to schedule a viewing and experience the unique appeal of this property.
