Mark Flinn

Entertainers Paradise in Serene Setting

With its thoughtful open-plan layout, spacious back garden and natural light-filled common areas, 5 Ulysses is near enough the ideal family home. Conveniently located walking distance to Four Mile Beach and a 3-minute drive to the shops, this beautiful property ticks all the right boxes.

A glittering blue pool with heating and cooling functionality is the centrepiece of this easy-flowing house. Surrounded by beautifully maintained tropical gardens and with plenty of space for sitting, BBQing, eating and lounging, the back garden will delight any avid entertainer.

Moving indoors is seamless, and plenty of sliding doors and large windows invite beautiful tropical breezes and light into the house itself. Two spacious living or dining areas with fabulous views of the garden connect from either side of a well-appointed kitchen. Three comfortable bedrooms with built-in robes, one bathroom and a laundry room anchor one side of the house, while the primary suite sits at the opposite end for added seclusion. Complete with an ensuite outfitted with a spa bath, a walk in robe and direct access to the outdoors, the primary suite truly feels like a little paradise unto itself.

A two-car garage simply sweetens the deal, providing plenty of space for toys big and small. With its meticulous upkeep and flexible living and sleeping spaces, 5 Ulysses is move-in ready for the right buyer or otherwise the perfect opportunity for someone looking to customise a home with already-fantastic bones.

Built on a 701m² lot and situated in the family-friendly neighbourhood of Port Gardens, we predict that this highly-desirable property won't be on the market for long.
