Like Brand New!

If low maintenance and a fresh feel are at the top of your 'wants' list, 5 Venus Street bears your inspection. Having just undergone a full internal refresh including new kitchen, carpets, paint, lights, fans, and bathroom, there is nothing left to do but take the keys and move in.

Occupying a 700m² block in the popular suburb of Telina there is plenty of yard space for kids and pets, and well-established native trees provide excellent shade as well as privacy.

This is a home that must be seen to be appreciated. Book your inspection with The Williams Team today to experience just what is on offer; call 0467 044 974 to arrange your viewing.
