\$340,000

Can't get much better than this if you want to step into the property market. Here's a ripper without busting the budget comprising of concrete stumps, steel cladded, aluminium windows and positioned in a nice quiet pocket. There are three decent size bedrooms all with built in robes, living room, large laundry and a sunny kitchen/meals area that overlooks the entire backyard that encompasses a single carport and lock up lawn mower shed.
