Positioned in a quiet and sought-after family-friendly cul-de-sac, with Anderson Reserve and playground at the end of the street, this large and updated home offers spacious living for growing and extended families. Highlighted by timber floors and rich timber accents throughout, three bedrooms are positioned downstairs –including the master suite set at the front of the home, boasting a walk-through robe to a private ensuite, floor-to-ceiling tiles, separate shower and freestanding soaker tub. Opposite, the large stone-topped kitchen offers plenty of storage and preparation space, and a handy breakfast bar for casual dining. Formal dining and living spaces open up at the rear of the home where double-height ceilings enhance the spaciousness of the rooms. Upstairs, there's a large study/retreat area, and two additional bedrooms, each one with built-in robes and double french doors opening out to it's own front balcony. Large storage rooms upstairs and downstairs, family bathroom, full-size laundry with side door, evaporative cooling, solar panels, long side driveway to a fantastic outdoor entertaining area, and spacious front and rear yards are just more of the wonderful features on offer in this unique family home. Positioned walking distance from Penola College in a location of broad appeal, there's easy access to both Glenroy and Broadmeadows shops and amenities, with public transport and a selection of schools all nearby.
