Situated on a manageable 658m² allotment in a quiet part of town, this extremely well kept home has been loved & cared for by the current owners for almost 50 years! The home offers potential of 5 bedrooms (or 4 plus a study) with 2 including wall unit airconditioners and ceiling fans, as well as ducted evaporative cooling. The neat kitchen is centrally located and offers updated cabinetry + an electric stove with plenty of adjoining dining space. The bathroom has also been upgraded to offer a shower & separate bath, with the toilet at the rear alongside the laundry. Moving outside; the low maintenance rear yard offers a great spot to unwind with plenty of undercover entertaining space, lawned area, ample shedding and secure fencing throughout. Other notable features include; * Roller shutters * Double carport with roller doors * Rainwater storage Located within walking distance of the Solomontown beach, short drive to the CBD and the added bonus of Globe Oval directly across the road.
