Confidence Real Estate presents you modern and stunning double-storey house facing the reserve with 5 bedrooms and 4 bathrooms, built just two years ago. This contemporary masterpiece is designed to meet the needs of modern living, featuring high-end finishes and attention to detail that is second to none. Upon entering the house, you will be greeted with an open-plan living area that boasts natural light and an airy ambiance. The living area flows seamlessly into the dining area and the kitchen, making it perfect for entertaining guests or spending quality time with family. The kitchen is a chef's dream, with ample storage space, Electrolux appliances, Induction cooktop and stone countertops. It is equipped with a large island that can be used as a breakfast bar, making it the perfect spot for family meals. This house offers five spacious bedrooms, with the master bedroom featuring a walk-in closet and an en-suite bathroom that includes a bathtub and a shower. The other four bedrooms share three additional full bathrooms, ensuring that there is enough space for everyone. The house is fitted with high-quality finishes throughout, including hardwood floors, designer light fixtures, and modern bathroom fixtures. The backyard of the house is an absolute oasis, with a stunning view of the reserve, making it the perfect spot to relax and unwind after a long day. The location of this house is unbeatable, as it is situated in a quiet and peaceful neighborhood that is close to all the amenities that one could need. You will have easy access to schools, shopping centers, and public transport, making it the ideal location for families and professionals alike. This house truly has it all - stunning design, high-end finishes, and an unbeatable location. This amazing double-story house already boasts many exceptional features, and we are delighted to inform you that it also comes equipped with an outdoor kitchen with a gas cooktop and a balcony. The outdoor kitchen is perfect for entertaining guests or hosting barbeques, and the balcony provides breathtaking views of the surrounding area. Additionally, the house comes fitted with a 15-kw inverter and 18 kw solar panels system, which not only helps to reduce your carbon footprint but also saves you money on your electricity bills. The solar panel system is an incredible investment that will pay for itself over time. Furthermore, for added security, this house comes with an 8-channel security camera system that provides you with peace of mind knowing that your home is always under surveillance. The security camera system is connected to a central monitoring system, giving you the ability to monitor your home from anywhere in the world. In conclusion, this double-story 5 bedroom, 4 bathroom house is an exceptional property that has it all. With high-end finishes, a modern design, and amazing features such as an outdoor kitchen, balcony, solar panel system, security cameras, projector and bar in the garage this house is an excellent investment for anyone looking to upgrade their lifestyle.
