It's All About Location And Feeling

Inspection cancelled Saturday 9th July.

Close to bike and walking trails and a sunny north eastern aspect, the home is suitable for family or a retirement lifestyle on a generous landscaped 842m² allotment with an abundance of shrubs and trees providing utmost privacy.

The open plan casual living / kitchen area is spacious, includes quality appliances and offers easy access to the substantial covered outdoor patio and sparkling free form pool.

Or pop into a separate living room to relax in peace and quiet to read or watch the tellie.

All 4 bedrooms are a decent size while the master features an ensuite. The fourth bedroom could serve as an office and there's a 2 way bathroom and separate toilet for convenience.

Consider these appealing features:

- Tiled entry foyer opening to a passageway
- Separate family room
- Saltwater pool
- Airconditioning and ceiling fans
- Solar assisted power
- Large 2 car garage
- And all very clean and tidy throughout

- Tewantin Village, shops, RSL and Noosa Marina – 4 minutes
- Noosa Golf Club – 3 minutes
- Hastings Street, Noosa Heads – 19 minutes

This property is an excellent, low maintenance home worthy of inspection. Call or email for your personal inspection.
