\$499,900

This neat and tidy, brick veneer and tile home presents in great condition and offers the perfect opportunity for first home buyers, investors or downsizers alike. Found in a quiet and elevated street with great views back to the east, the family home boasts three bedrooms all of generous size and with built-in robes, deep lounge room, separate dining and original kitchen. Park the car in the single lock-up garage which has internal access through the laundry. You'll have to carry a compass to get around the good old fashioned, quarter acre block with handy rear lane access, making it ideal for the kids to play, the construction of a colorbond shed or future developments (STCA). Grab the keys and move straight in, or treat it as a blank canvas and add your own touch. Come take a look.
