Its cul-de-sac corner set to the rear of a development that has Newport Lakes Reserve as its backdrop provides this inviting townhouse residence with an instantly appealing position. The exceptional first impression created by the setting is matched by inviting spaces including downstairs living and dining areas where reverse cycle heating/cooling ensures total comfort and an open-plan kitchen confirms the enduring efficiency of stone benches and stainless steel appliances. 3 double bedrooms, 2 accompanied by balconies, and 2 bathrooms including the main bedroom's ensuite define upstairs dimensions that also offer a dedicated study zone with a fitted desk and its own heating/cooling. Low-maintenance landscaping, a secure garage and driveway parking surround a home that puts Challis Street shops, Mason Street village, schools and Newport station all conveniently nearby.
