Located a short walk to the shops of Bemboka, across the road from a playground and local swimming pool and the Bemboka primary school, this property offers an opportunity to embrace a village lifestyle. The entire property, sitting on 1,013sqm, is incredibly neat and well maintained, with 3 bedrooms including 2 rooms with BIR and ceiling fans and large bathroom with walk-in-shower, a bath and separate toilet, suitable for a family. The living and dining area is very spacious, with woodfire heater and reverse cycle air conditioner, this space is the ideal setting for family and friends to relax. A well-set-out kitchen including pantry, with a nice outlook out the back, offers easy connection to the dining and living area, while also providing direct access to the undercover patio. The undercover patio at the back is perfect for entertaining friends and family or simply to take advantage of the sunny spot for your own private time. A large workshop, with secure storage unit, adjoins the double garage, providing great car accommodation and you'll still have room for the tools or workshop/studio we all need. An added bonus to this property is the corner location. A laneway at the rear of the property allows for easy access to the entire property, including the rear of the garage. The block is low maintenance, fully fenced and with a water tank and firewood shed, this property is ready to go!
