VERY EMOTIONAL OWNER'S STORY "We built our home in 1993 and raised 5 children who made many special memories here. Bellbird Park area has provided our family access to so many local facilities that have benefited us greatly. At the same time we have enjoyed the privacy of living on this property where it feels like our own sanctuary away from the rest of suburbia. We will miss this home and the comfort and space it provides. We will also miss the backyard and our fruit and vege gardens, but the time has come to downsize and move closer to our children. We hope the new owners will love this home and enjoy it as much as we have."
