The property has undergone a renovation, with a focus on creating an open plan living, dining, and kitchen area. This revamp likely enhances the overall functionality and appeal of the home. The spacious layout and four bedrooms make this home suitable for a growing family, providing ample space for everyone. The living space, flowing seamlessly to the rear deck, is designed for entertaining. This open layout and connection to the outdoor deck create an ideal space for hosting gatherings and enjoying the sunshine. Situated in Glenorchy, the property is within easy walking distance of shops and amenities. This convenient location adds to residents. The kitchen has been updated and is described as being full of natural light. This likely contributes to a bright and welcoming atmosphere in the heart of the home. The large deck off the living area enhances the entertaining space and provides an outdoor area for relaxation and socializing. The backyard is fully fenced, making it an ideal and secure space for children to play. The property offers secure off-street parking with a remote-controlled gate, providing added convenience and security. The property is just a short stroll away from MyState Bank Arena, adding to the convenience for those interested in sports and events. Being only moments away from Northgate Shopping Centre adds another layer of convenience for shopping and daily needs. In summary, this federation home seems to offer a perfect blend of classic charm, modern comfort, and convenient living in a sought-after location. Pets considered.
