Offered to the market for the first time in the past 25 years, number 50 Gilwell Avenue offers absolutely unparalleled versatility. Brilliantly located within close proximity to major shopping, medical and sporting facilities, and literally 5 minutes walk to the highly respected Clifton Hills Primary School. Graced with a superb 1011sqm (almost quarter acre) allotment, the circa 1965 solidly constructed brick and tile residence as expected of a home of this era features solid Jarrah floors throughout. With the types of properties becoming almost impossible to find in the current market, do not miss this wonderful opportunity to acquire a blue-chip piece of real estate and commence your property portfolio.
