For the first time in 67 years this 3-bedroom family home is being offered for sale, the old dwelling was demolished, and the existing home was constructed in 1969 because the family did not want to give up this great location. Just imagine walking to the end of the street for your morning coffee or catching the train at the near by Seddon Station for that special night out. The location is fantastic the home presents very well with off street parking the back yard is intimate and provides privacy for an outdoor meal. The kitchen and meals area are central to the lounge room which is well lit by the morning sun and the 3 bedrooms which are of a generous size, the bathroom has a shower and separate bath, and the toilet and laundry are directly opposite. The location is impressive with train and bus services and family day care, kindergarten, primary and high schools all within walking distance. The lovely Seddon Village has an array of restaurants and cafes to charm your taste buds. The property known as 50 Greig Street has been a fantastic family home in a very rewarding location for 67 years. Why not make this your opportunity to experience a similar convenient lifestyle.
