This stunning property boasts three bedrooms and two bathrooms, making it the perfect family home or vacation retreat. Nestled on a generous 576m<sup>2</sup> block, the property offers plenty of room to move and entertain, with the added bonus of some ocean glimpses from the front living room. One of the most unique features of this property is its distinctive shape, which has been designed to resemble a 50 cent coin. This striking design not only gives the property a one-of-a-kind look, but also maximizes its use of space and provides plenty of natural light throughout. The Patio is massive with amenities to entertain a large crowd of friends and family in a lush tropical garden setting. Outside, the property features a low-maintenance yard, with plenty of room for kids to play or pets to roam. There is also a secure single garage, providing ample storage and parking for vehicles plus solar panels to reduce your power bills. Located in a sought-after area, this property is just a short walk to the beach via an access way opposite. With its unique design, ocean glimpses, and comfortable living spaces, this property truly offers the best of both worlds - a peaceful and private retreat with easy access to everything you need.
