JUST LISTED!

There are few properties in Mount Crosby to compare to this spacious, double storey, acreage home. Located near the end of a very quiet cul de sac, there is parkland opposite guaranteeing a permanently uninterrupted view of the picturesque nearby mountains. The home is north facing on 4,534sqm with very private entertaining areas and gently sloping, usable and accessible land. There are multiple living areas downstairs including a living/media room, rumpus, and open plan family/dining/kitchen. The rear of the home opens beautifully to bring the outdoors in. The shaded salt water swimming pool is adjacent to the covered alfresco which flows from the kitchen/family room and is ideal for outdoor entertaining. Inside there is ducted air-conditioning throughout. The expansive kitchen features a brand new SMEG stove with large gas cooktop and 900mm electric oven. There's a dishwasher, breakfast bar, plentiful storage and a sizable pantry. The third bathroom is ideally located next to the laundry downstairs making this area perfect for families requiring a "mud room". The home office is ideal for use as a fifth bedroom/guest room and will appeal to anyone preferring to stay on a single level. Central to the first floor is yet another lounge/tv room/teenager's retreat. It helps to divide the four upstairs bedrooms and family bathroom. The very impressive master suite includes a parents retreat, a large walk-through robe and roomy ensuite. This bedroom opens onto a private balcony which provides yet another option to allow you to enjoy the great views of the nearby mountains. Yet another great asset is the four bay, 6 x 15 metre shed (including rear carport/undercover work space). This is in addition to a garden shed neatly tucked away and 20,000+ litres of water storage. The property is also fenced for children and pets. With over an acre of land there's obviously plenty of potential for the future. Mount Crosby is one of Brisbane's most attractive and peaceful acreage suburbs. There's great bush walks, a welcoming community and we're less than 30 kilometres from the Brisbane CBD. The area is extensively served by buses for the prestigious Western Brisbane Colleges and secondary schools. For more details please feel free to contact Ian Keenan at any time.
