Phone Enquiry ID: 220811 There is no easy way to describe this beautiful Corbett built home other than simply stunning. It absolutely caters to the family in every way. With four large bedrooms (or you can convert the butlers pantry to a 5th bedroom) all with built in robes, fans and air-conditioners and the Master bedroom features an ensuite and walk in robe, a very large separate media room, very generous living/dining area that flows out to the entertaining area and in-ground pool. The designer kitchen will impress the most discerning of cooks with a dishwasher and gas/electric oven and is complemented by a 2.5m X 3m butler's pantry with ample bench, drawer and shelving, this is an outstanding feature. For your comfort there is split system reverse cycle air-conditioning throughout and a large separate laundry. Double remote controlled lock up garage with internal and rear access. The exterior of this property is where the action is. A massive 9.2m X 3.5m in-ground salt pool, a 6 X 6m colorbond shed with a 6 X 6m colorbond carport adjoining giving great storage and work space. There is good access to this area through a double side gate. Instantaneous gas hot water system with 2x gas outlets for BBQ etc. 24 solar panels for energy saving. This 943m² allotment is fully fenced, features magnificent landscaped gardens and lawns with computerized sprinkler system. If you are looking for a family home this property is the ONE.
