Impeccably presented is this resort style home offering privacy and serenity for those who are seeking a sanctuary from the busy day to day grind. Situated within walking distance of the Sorrento Sailing and Couta Boat Club, this naturally light filled home is surrounded by lush gardens and fully fenced secure boundaries. Upon entry, you will be captivated with the generous open plan living space with extensive glazing that overlooks the gardens, outdoor alfresco living and magnificent pool and spa zone. Featuring three generous sized bedrooms all with built robes and split systems, plus the master bedroom with ensuite, walk in robe and split system. The spacious main living features open fireplace, central galley kitchen and dining area, polished floorboards, and a pleasant outlook towards the ocean reserve. Sliding doors open to the outdoor alfresco space with built in kitchen, heat lamps and weather protective drop down blinds whilst overlooking the magnificent fully integrated pool and spa providing the perfect place relax and unwind. A fire pit that sits below the water line of the pool is a unique space to enjoy a glass of wine during the evening. Further features include a large double lock up garage with under house storage, exposed aggregate driveway with enough room for family and friends or boat storage, self-cleaning pool with solar and gas heating, swim out area for the little ones to enjoy safely, pool remote system that allows you to heat the spa on the way down to the property, outdoor barbeque on mains gas, central heating and a reticulation system for the garden. This immaculate and much-loved property is a turnkey solution for those seeking the relaxed and calm lifestyle that Sorrento embodies.
