This amazing custom built one off design, was hand crafted by a local high end builder for his own residence, and can now be yours. From the measured attention to detail, to the use of quality and sophisticated fittings, the home exudes style and desirability. Being built on an impressive 300sqm footprint, affords every room with generous proportions and combined with the high 2.7m ceilings, leads to a sense of open spaciousness. Features Include:- Large master bedroom with good size walk in robe and ensuite with floor to ceiling tiles, W/C, shower and single vanity.- 3 other well sized bedrooms 2 of which have large walk in robes.- 2.7m high ceilings with decorative cornice throughout, 97mm architraves and 140mm skirting boards.- Open plan kitchen/family room which flow onto the covered alfresco area through sliding stacker doors.- Generous kitchen complete with 40mm Caesar stone bench-tops, S/S Smeg dishwasher, S/S Smeg 900mm gas cook-top and electric oven, ceramic quartz style tiled splash back and a butlers pantry.- Featured internal doors throughout with opaque over head door lites.- Large garage with remote door operation, rear roller door for back yard access, decorative cornice, tiled floor and internal access.- Floating wood style flooring to all areas with carpeted bedrooms.- Automatic front driveway gates.- Reverse cycle zoned ducted air conditioning and security camera system. Sitting on a level low maintenance 740sqm block, this impressive home will surprise and delight at every turn, with its enchanting front facade and manicured garden setting.
