Expressions of Interest

Situated on 3.36ha this incredible property is the perfect place to bring up the family. Positioned proudly this striking double brick home offers the most stunning outlook. Private with so much on offer this property is a must-see to truly appreciate the long list of positives. Set on one level this well-loved home has been meticulously looked after inside and out. Lovely low-maintenance landscaping surrounds the property and the fenced paddocks provide ample space for the animals/livestock to roam and enjoy. Providing a flexible floorplan boasting two large living areas and/or rumpus/ large 4th bedroom. The choice is yours. All three bedrooms offer built-in robes and the master overlooks the incredible view and boasts a huge ensuite with a spa bath and walk-in robe. There is the bonus of a huge covered entertaining area that is perfect for all-year use. An incredible space to enjoy with friends and family. There is an additional man cave with a bar area, there is space for the whole family to enjoy. There are ample outbuildings to solve all your storage needs and perfect for chickens. The garage also has power and the land is fenced beautifully. The whole family will really love this home and what an incredible opportunity to live your lifestyle dreams, yet less than 10 minutes to all New Norfolk has to offer and 30 minutes approx to Hobart's CBD. The home is serviced by a wood heater and reverse cycle heat pump. Large sliding doors from the living area lead to outside where you can sit and relax whilst basking in the sun. A large formal dining space, immaculate kitchen, and main bathroom. This is a truly special home awaiting its lucky new family to create their own ever-lasting memories. A magnificent home offering the ultimate lifestyle opportunity.
