This delightful spacious 3 x 1 home on a large 751m² block, is a great place to start in Joondalup. It's got so much going for it. A low maintenance easy care garden, with mature bushes and trees, that enhances the curb appeal of this lovely home. The home has just had a new coat of paint throughout, making the property look bright and cheerful, with new window treatments so it's all ready for you to just move in and enjoy. Great for a first home or investment. Enter the home into a beautiful large front lounge, with space for a 2nd dining room, or even better - that in demand office space that everyone working from home requires, with a gorgeous wood burner to keep you warm in winter. This then leads into a second, and even more spacious family open plan living area, and what an extremely generous area it is, with space for a large dining table and lounge suite, all being overlooked by a good-sized kitchen, which is the centre of this well-appointed home with plenty of space to grow, loads of cupboard space and work tops, a large pantry, and with stainless steel appliances. This family area leads out to a fantastic huge under cover entertainment area with built in BBQ, again surrounded by mature trees giving privacy and colour, and the ocean in the distance, so a sea breeze here is guaranteed! Added to this is a more than generous back garden, big enough for a pool, granny flat or a super duper sized shed, it's got all the potential you want. The main bedroom is at the front of the home with roller shutters on the windows, and ideally situated semi ensuite to a bright bathroom with separate shower, bath and toilet. There are then a further two minor bedrooms, with robes. The home includes ducted air conditioning, a single garage with a drive through to the open area at the rear of the home. It's all ready to go!
