Where do we start with what this property can offer you? Great house, great pool, great location!! From the time you enter the foyer of this property you know it will tick all the boxes and become your next family home. This quality built home on 3085 m² has been lovingly cared for and there is nothing to do but move in. With a built in bedroom off the entry, the home is well set out with bedrooms on one side, formal lounge room in the middle of the home and the living areas to the other side. The home has ducted air conditioning throughout. The formal lounge room, all bedrooms and study are carpeted with tiles to the remainder of the house. A further four large built in bedrooms are on one side of the home (five bedrooms in total). The master suite has an ensuite with a separate toilet. There is a large study with built in cupboard separate to the bedrooms and this could be used a 6th bedroom. The formal lounge room in the middle of the house looks onto the pergola area and further to the inground pool. The home has a double lock up garage, laundry with a built in benches and a combined dining and family room. The modern kitchen has a dishwasher and electric appliances where you also look into the pergola area and down to the pool. Although there is no shed there is plenty of room for one and there is also a large double garden shed. The property is also fully fenced with gates to the back yard. Please don't hesitate to contact us for a private viewing so you can see for yourself everything and more at this beautiful property.
