For Sale

In a lovely wide street in elegant Clayfield, you'll find a house full of wonderful surprises. Open the door of this gorgeously maintained four-bedroom Queenslander and find a marvellously spacious, modern home. Super-high ceilings. Honey-coloured polished wood floors. A delightful modern palette throughout. No. 50 Reeve Street offers the best of both worlds: the charm of yesteryear blended with the practicality and style of contemporary living. Step inside. You'll be amazed at the space, the large bright rooms. The design of the house flows beautifully, from the multiple living areas, through the beautiful white kitchen at the heart of the home, and out to the enormous covered deck, with its extended roof and weather-proof flooring. This is a house that makes entertaining a pleasure. At this level, there's also a lovely guest room with adjoining en suite. Upstairs, on the mezzanine level, you'll find a large fully-carpeted music room/office - an ideal space to work from home. At ground level, you'll find three further bedrooms. The main bedroom is a haven of privacy and comfort, with French doors leading to its own private deck, and an extra-large en-suite with double sinks and a walk-in shower. There's a second large bathroom at this level, with full-size bath and modern cabinetry. There's a proper laundry room with built-in cupboards and ironing facilities. At this level there is also a fully-secure garage/workshop, with excellent storage. Built on an attractive level block, with well tended, fully-secure gardens, this is a splendid and stylish home. Reeve Street is a wide, quiet street with superb amenities just a few minute's walk away. Beautiful Oriel Park is an easy 450m stroll. It's just 13 minutes' drive to the CBD. Some of Brisbane's most outstanding schools are just minutes' away, with excellent transport links in nearby Sandgate Road. The house is in the catchment area for Ascot State School. Join me at the Open Home on Saturday to view this spacious and delightful home. Call Adrian O'Callaghan on: 0409 722 229
