In the heart of Quakers Hill, a hidden gem awaits—a 3/4 bedroom haven that transcends the ordinary, offering not just a home but a palette for boundless imagination. Offered for first time in almost 50 years and in a tightly held street this is an opportunity not to be missed. Key Features:— Three/Four bedrooms designed for comfort, each a sanctuary in its own right.— A spacious, sun drenched open plan living and dining set the tone for comfort and family gatherings.— At the rear, a versatile space beckons—envision a studio, home office, or a bespoke garage, adapting to your every need.— A sprawling canvas of approximately 850 sqm unfolds, inviting dreams of lush landscapes, tranquil garden retreats, or the luxury of a shimmering swimming pool.— Zoned for highly sought after Quakers Hill Public and Quakers Hill High Schools Here's a fantastic chance to acquire a family home nestled in the heart of Quakers Hill or leverage this incredible block of land. Whether enjoyed in its current condition or enhanced to add value in your unique style, the possibilities are boundless. Situated less than a 2-minute drive from Quakers Hill station and shops, this standout location ensures effortless access to all amenities.
