Located on a 1308sqm corner allotment, a beautifully presented family home with large American Barn style shed. As you enter this gorgeous home you are greeted with a large formal dining area off to the right and a large lounge area off to the left. Both rooms lead through to the main living, dining and kitchen area, a light-filled space with garden views. The kitchen features an electric cooktop, wall-oven and grill, dishwasher and large walk-in pantry. The living/dining area includes a gas log fire for cosy winters in addition to the ducted heating and cooling throughout. A double set of doors opens out to a small paved outdoor area. The master bedroom is set to one side of the home – and includes an ensuite, walk-in robe and personal office or parents' retreat. At the other end of the home are the remaining three bedrooms with built-in robes, family bathroom, separate toilet and laundry. Extra features include window plantation shutters, heated towel rails and 3kw solar panel system. Outdoors there are beautiful established gardens surrounding the home. The large shed can store up to four vehicles or can be used as a workshop. Located a short distance from the local primary school and post office, and only a few minutes' drive to Castlemaine CBD. An immaculate family home which has been lovingly cared for inside and out, please contact our office today to arrange a private inspection.
