This 3x1 brick home is located 550m from town centre and offers you low maintenance living so you can enjoy more of Exmouth. Inside, you'll find a generous living room, an open plan dining and kitchen, the latter with gas appliances, a double sink and access to the rear of the property. The three bedrooms all include built in wardrobes. The bathroom has a separate bath and shower featuring a waterfall shower head and there's a practical separate toilet. The house is tiled throughout with air conditioning and ceiling fans in each room. In the fully fenced backyard, there's plenty of space for entertaining and poles ready for shade sails. You'll also find a garden shed for additional storage and double gate access for secure trailer parking. The front of the property has an undercover carport, cyclone tie downs, a well established garden and additional parking for cars and trailers. Currently a long term rental, this home is ready for you to make your own. To arrange a viewing call Mark Lucas today on 0439 494 481.
