This has created a stunning outlook which is enjoyed from all living and bedroom areas and the undercover front entertaining area. Situated on an elevated and level section on the Bellbowrie side of Sugars Road this property offers the perfect balance of peaceful seclusion while still having the convenience of nearby amenities. The home is accessed via the main entry at the front or via the impressive atrium that connects the main building with the guest room and upstairs studio. Possessing a traditional layout comprising of formal living and dining plus separate family/tv and meals room off the kitchen, this home will be perfect for a variety of family dynamics. The kitchen is stunning with Kwila hardwood bench tops, black gloss cabinets and new appliances. It enjoys an uninterrupted view across the entire pool area meaning you can attend to food preparation while keeping a keen eye on what is happening outside. The bedrooms all have lovely garden outlooks, built in robes and ceiling fans. The main bedroom is spacious and air conditioned with a light-filled ensuite and plenty of natural ventilation through the louvre windows. The view into the garden room from the ensuite is just one of many stunning features of this home. The other bedrooms are serviced by the main bathroom, also looking onto the garden room, and a separate toilet beside the laundry. Separated from the main section there is a large room overlooking the pool and rear garden that is perfect for a guest room, teenage retreat or potential granny flat – the choice is yours. Above this you will find yet another impressive room currently used as an art studio. It has a delightful outlook across the front and rear of the property and features vaulted ceilings and leadlight windows. It is the perfect tranquil spot to inspire one's creative side.
