Spacious entertainer with studio near the Bay Run

'Bayside' is a beautiful modern home combining an original two-bedroom cottage with generous extensions over two levels a stroll from the water's edge. Impeccably presented, the home features multiple living areas, up to five bedrooms including master with views towards the city and a separate studio/office or teen retreat. Additional upgrades since the renovation provide a fresh vibrant feel throughout, while attic storage, a low maintenance garden and generous parking further enhance family appeal. It's ideally located footsteps to Montague Park, close to the Bay Run and with easy access to Drummoynes shops and cafes, Birkenhead Point, schools and city transport.

Living areas on both levels and a modern gas kitchen
Master bed ensuite and balcony with views to the city
Separate studio/home office or teen retreat at the rear
Two bathrooms plus powder room and attic storage area
Split level courtyard garden with entertainers' pergola
Rear access to secure carport plus front tandem parking
