Wanting a view at an affordable price then you need to take a stroll up this beach block. Location is fantastic with the causeway to the 90 Mile Beach just down the road. Situated down the quieter end of town, this block has a lovely outlook over the ever changing water of Lake Reeve. You will need to build towards the rear of the block to take advantage of the view beyond the reserve across the road. The keen fisherman will love the easy access to the surf beach and the sound of the waves crashing from here! Build up and let the cool sea breeze flow throughout. So if you think this view is for you, then take a stroll on this beach block before you hit the waves on the 90 Mile Beach!\*\*\*\*\*CShell Real Estate does not warrant, guarantee or make any representations regarding the currency, accuracy, correctness, reliability, usability or any other aspect, of the material presented on the CShell Real Estate Website and it is recommended that prospective purchasers and users of the website make their own enquiries and seek independent legal advice in relation to the subject property.
